SilverMind

FOR ACTIVITY DIRECTORS

A calm group activity that keeps minds busy

SilverMind is 28 short word, trivia, puzzle and memory games for older adults. Run it on the TV for a group, or on tablets for residents who like to play alone.

- Large text, readable across the room
- No ads, ever
- No resident accounts or emails
- Calm mode: no timers
- TV, tablet or any browser
- 14 languages

A 20-minute session on the TV

2 min	Open silvermind.app/play on a laptop connected to the TV. Calm mode on.
5 min	Word warm-up. One person reads out loud, the room calls answers.
10 min	Trivia, proverbs or a picture puzzle. Take turns choosing.
3 min	Calm matching round, then large-print worksheets to take away.

The pilot

- 30 days free for one community
- No card, no contract, nothing to install
- 15-minute setup call and a weekly plan
- Residents and families get Premium during the pilot
- After the first month: $99 a month, cancel anytime

Founding pilot price

Per community

$99 / month

first month free, cancel anytime

Founding price for the first pilot communities. Invoice or card.
